

To Whom It May Concern

Recently I needed a great deal of work on the exterior of my house. I needed a new roof, new gutters, new soffit and faica , carpentry work to replace rotted wood around the roof and front porch, all exposed wood surfaces needed repainting, as did the front porch both ceiling and floor. The side roof over the porch was repaired and coated. I also need masonry repairs on the front stairs, large French doors replaced in a room off the kitchen in the rear of the house. I was a bit apprehensive about getting involved with a contractor, especially for a job this large but I hit the jackpot when I hired Kelbie Home Improvement Inc. with Mike Kelbie as its president.

I am TOTALLY satisfied with the work done, it is of the highest quality workmanship, and all of the employees I have met are first class people as well as experts in their trade. Mike Kelbie is a man of high integrity, I trust him completely. Mike always returns calls and e-mails in a timely fashion and keeps you up to date on the progress of the job. I am not alone in my high opinion of Mike's company, everyone on the block raves about the quality of work done and some of my neighbors have hire Mike to do projects on their homes.

I have the highest praise for Mike's company and for Mike himself, from now on Mike is my contractor for life. I would not even consider using any other contractor. Anyone who hires Kelbie Home Improvement in my opinion is getting the best contractor on the east coast if not the entire country.

My name is Michael Mislter at 1615 Tuckerman Street N.W. Washington D.C and can be reached at [202 726 7031](tel:2027267031).
